# Doel JAHEE

- The general objective of JAHEE is to improve health and well-being of European citizens and achieve **greater equity in health outcomes** across all groups in society in all participants countries and in Europe at large.

Equity is de afwezigheid van onnodige, te voorkomen, oneerlijke en onrechtvaardige gezondheidsverschillen

# Focus WP9 in Nederland

Samenwerking tussen gezondheid en ruimtelijke ordening  
met focus op kansengelijkheid

# Joint Action-gemeenten
